*Sale Hours 6:30pm to 8:30pm*  
*You must pick up unsold items after the sale that ends at 8:30pm*

**Seller's Instructions:**

Thank you for choosing to participate in the Homebuilders Curriculum sale. Our group is designed to allow local Christian home school families network together for events and co-ops to give students a richer learning environment. To make this sale a success, will require everyone to follow these instructions so that the sale will run as smooth as possible and ensure that everyone has a great experience.

- 1) All Christ-honoring home school related materials may be sold. We reserve the right to remove any questionable materials from the sale.
- 2) All books must be marked on the top and bottom of the tags. All tags will be taped to the front **INSIDE** cover of each book or taped to the top of storage boxes, learning aids etc.  
The following information must be included on the **TOP** and the **BOTTOM** of each tag for each item sold.

**NO. (first and last name of seller printed clearly)**

**Style: Subject the book is sold under (science, math etc.)**

**Size: Grade level the book should be shelved in**

**Price: \$1.00**

- 3) No electronic equipment may be sold (excluding learning toys such as leap frogs, flash master, math shark etc.)
- 4) If your books are part of a set, the first item in the set must have a tag with the pricing. Each subsequent item must be clearly marked together to sell. Use tape, string, or pack in a sealed box or Ziploc.
- 5) Only tags that are provided from Homebuilders will be considered tagged appropriately. All other items not using the approved tags will not be sold or accepted at the sale.
- 6) Do not price your books at drop off. You will be asked to leave as this takes time and space for other sellers who are prepared for the sale.
- 7) Bring all books for drop off to the sale location by 1:30pm to 3pm. No other times for dropping off books are acceptable. **No exceptions!**
- 8) When you price your books keep in mind 15% of sales will be kept by the Homebuilders group to help pay for science equipment for biology and chemistry classes.
- 9) Each seller must go to the registration table to check in and then drop off their books. If they have not checked in to confirm registration, they will not be considered a 'seller'. Registration for this event requires that the seller completes this form and includes a self addressed stamped envelope to have their checks mailed to them. **Without this form and the S.A.S.E., you are not registered for this event!**
- 10) You must pick up any unsold books after 8:30pm the evening of the sale. If you cannot pick up your materials, you must make arrangements to have someone do this for you. Otherwise, your check will not be mailed to you if you leave items at the sale that were not sold.
- 11) Search all tables for items after the sale before leaving the premises. Look for items in the "lost or untagged" bin as well to claim items that have lost their tags etc.
- 12) Unclaimed items will be held for 10 days and then donated. It is the seller's responsibility to contact Homebuilders to make arrangements for the return of books.
- 13) Checks for your books, less the 15% for Homebuilders will be mailed within four weeks after the book sale. Once all checks from the sale have been cleared.
- 14) We regret that we cannot accept responsibility for lost, stolen or unclaimed books.
